■ 50m Lane Swim Session
 ■ 25m Lane Swim Session

Strictly 45 minutes lane swimming offering at least 3 lanes. Sessions with increased bookable capacity may be given wider swimming lanes.

Our swimming timetable is set between certain dates, therefore does not include events and closures. Please check our website for any exclusions to the times above at:
surreysportspark.co.uk/home/visitor-information/programme-timetable-changes

Where 1.25m depth is available this offers 12 metres of shallow water before a ramp that leads down to 2 metres in depth.
